### CIRCUIT DIAGRAM

PRODUCT IMAGE

## MODEL CODE

AS-1370SL-B

|            |       |
|------------|-------|
| Knob Color |       |
| B          | Black |

## P.C.B MOUNTING PATTERN DIMENSION

The following soldering patterns are recommended for reflow soldering

## ELECTRO-MECHANICAL CHARACTERISTICS

Refer to additional specifications

|                        |             |
|------------------------|-------------|
| Rating                 | DC 4V 0.3A  |
| Circuit                | 1C-3P       |
| Contact Resistance     | 70mΩ Max.   |
| Travel                 | 2.0 ± 0.3mm |
| Operating Force        | 200±100gf   |
| Operating Life(cycles) | 10,000      |

|   |   |   |   |   |                                                                                                                                                                                                    |           |                                                                                       |                                           |                                                |  |  |  |
